MASTERS

The Outstanding Line in the Field

For more than 50 years Masters products have set the pace among the trade. Wholesalers and retailers everywhere are learning that there is no substitute for manufacturing stability and "know-how." All Masters products are built on quality of workmanship and materials. They are priced to allow a reasonable profit margin. This combination of quality products at a reasonable price has been the basis of the growth and leadership of the Masters line. Stock the complete line, sell it with a guarantee of customer satisfaction and assured profits. Your jobber can supply you or write today for complete details.

MASTERS PLANTER CO.

MASTERS BUILDING
BENTON HARBOR, MICHIGAN

MASTERS HOME LAWN DISTRIBUTOR
Nos. 25 and 30

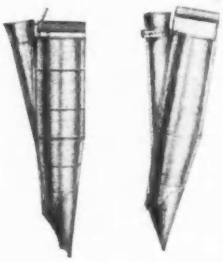
For fertilizer and lawn seed distribution for small homes and gardens. Simple and easy to operate. Stock both models.

MASTERS COMMERCIAL DISTRIBUTOR

Most popular distributor of its kind on the market. Used by parks, cemeteries, golf courses, estates, etc. Distributes all types of materials to be spread.

MASTERS 36 INCH FARM "ROWCROP" SPREADER

The only reasonably priced fertilizer machine of its kind on the market. Heavy duty construction. Tractor hitch included. One-half the cost of comparable machines.



MASTERS PLANT SETTER

The finest, most popular setter. Sets up to 15,000 plants per day. Two models. Choice of thousands for 50 years.

THE ORIGINAL MASTERS HANDI-CART

Often imitated, never equalled. Indispensable for a thousand uses. Home owners buy on sight. The most durable, abusable cart on the market. Will stand years of hard use.

MASTERS ALL-PURPOSE UTILITY CART

For Garden Spray, Oxygen tanks, barrels, etc. Also ideal as a "Caddy-cart". All welded heavy steel tubing, 10" wheels, rubber tires, enamel finish. Lowest priced cart on the market.

MASTERS HEVI-DUTI HANDI-CART

Truly a volume sale item. Builders, contractors, farmers and industry give you volume profitable sales. Heavy duty design and construction for hard, long usage.
